## Basketball News 14 - 0 Record ***"Way to go, Raptors"***

The middle school boys team finished the season with a perfect 14-0 record this year after defeating NOAH 53-50 in double overtime thriller on February 16<sup>th</sup>. Despite being behind the entire game, our team showed a lot of heart in fighting back from deficits of up 14 points during the contest. The fans that came out that night were great; they cheered the boys on during the entire game and refused to let them lose. These young men have represented our school well this year.

Thanks to all of you who supported our teams this year,

*Coach Osburn*

**PARENTS**

There are way too many students who are sitting and waiting for their parents when most of us leave at 4 - 4:30 p.m. It is too dangerous for them to sit outside the school. The school doors are locked at 4 pm and the students are not allowed in the school after 4 pm, so make arrangements to have them picked up

We participated with 38 projects in Tulsa Regional science fair and 20 of them are awarded in 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place.

Six of them are qualified to compete in Oklahoma State Science Fair which will be held in March 26 – 28 in Ada, OK.

***I want to thank all students for their hard-working and all parents for all their support.***
