Subject: Field trip to Turkey

Dear Parents/Guardians;

It makes all of us really happy to see the students of Dove Science Academy pacing toward success as a whole. We feel this rapid progress of Dove Science Academy both academically and socially everyday.

Here is another example of the differences that Dove Science Academy is making. We are organizing international trip to Turkey for this Spring Break. We believe that this trip will change the students' perspectives on life by experiencing different cultures and environments. This trip will be an unforgettable experience for our students.

It will be a 10-day trip during spring break. The cost of this trip will be **\$1499.00**. This price includes airfare, accommodation and breakfast and dinner.

Students who would like to participate in Turkey Trip are supposed to write an essay about why they are willing to go to Turkey. They are also supposed to get at least two recommendation letters from their teachers. Students and parents may contact with Mr. Turkay for the details. (turkay@dsatulsa.org) You can get the application form from the front office. You can also download it from our website www.dsatulsa.org

The application deadline is November 30, 2009.

At Dove Science Academy we are committed to harmoniously working together in order to build a strong triad among the teachers, students, and the parents.

P.S.

1: This trip is organized by Dove Science Academy. Only Dove Science Academy students will be allowed to participate in this exciting endeavor.

2: Students who has disciplinary problems are not allowed to participate.

Ozgur Toycu
Assistant Principal
